R.O.C. 2533/42-B.6. South Kanara Collector's Office,
Mangalore, 11th April 1942.

From

M. Karamatullah Esq., I.C.S.,
Collector of South Kanara.

To

no. 4391

The Secretary to Government,
P.W.D. Department, Madras.

20. 4. 42

Sir,

War - A.R.P. - Government and Local Board buildings - Camouflage and protection.

Refce:- G.O.No.Ms. 985 Public (Civil Defence), dated 25-3-42 and

Memorandum No. 943-C/42-2, dated 11-3-42.

To implement the provisions of the above orders, all the Government buildings both official and residential have to be made both splinter and blast proof in the Mangalore Municipality. Certain prominent buildings have also to be camouflaged. Besides, the A.R.P.Office has also to be made both blast and splinter proof. Slit trenches have to be provided and tanks for storage of water provided for the fire fighting services.

I find that the one Assistant Engineer attached to the P.W.D. in this district will not be able to cope with all the work connected with the above scheme. I had a discussion with the Executive Engineer, West Coast Division on the subject and we had come to the conclusion that it is absolutely necessary to have an extra Assistant Engineer posted to Mangalore for preparation of schemes and estimates and supervision of works connected with A.R.P. I request that orders may be immediately passed sanctionin the extra staff.

For Collector.

Copy to the Executive Engineer, W.C.Division, Calicut, and the Superintending Engineer, P.W.D., Coimbatore.
